**LOT 11 - FN Browning Hi Power 9mm Tangent Nazi 1942 Israel**

**Description**

FN Browning Hi Power 9mm luger with tangent sights and leather holster. Manufactured 1941-1942 with serial number 90045. Nazi proof waffen eagle marks had been altered (scratched out) in Israel during the Independence war. The story of this piece is that it was brought back by a navy officer who traded it in the beginning of the 1950's in Haifa. The holster has the name "Schweizer" written inside.

Very good finish. Left side of the slide is marked FABRIQUE NATIONALE D'ARNES DE-GUERRE. Inspector MR stamped on the trigger guard. Wood grips. Comes with 1 magazine split tongue.

Interesting history behind this piece!!
