About this item

- **THE NEWLY DESIGNED 4-PIECE WEDGE SYSTEM:** The most advanced & developed wedge pillow set with an ergonomic curve design. Ideal for providing you with an exceptionally comfortable posture when reading, surfing the Internet, during pregnancy, during deep sleep, and with leg discomfort.
- **MULTI-USE RELIEF:** Perfect for recovery after surgery/injury. It makes it much easier to get in and out of bed. Multi-position support can elevate the upper body, align the spine correctly, and relieve back and neck pain.
- **MADE WITH YOUR HEALTH IN MIND:** The height design in different directions follows the scientific ergonomic design, which can provide you with an exceptionally comfortable posture when you are sitting or sleeping.

- **PREMIUM QUALITY FOAM PILLOWS:** Providing a customized cushioning feel from the selected foam materials. Qirroboni post-surgery pillow provides the support you need while maintaining excellent breathability and ensconces you in softness.
- **IDEAL FOR GERD, HEARTBURN, ACID REFLUX, AND OTHER MEDICAL CONDITIONS:** Support your back and shoulders through the bed wedge pillow to improve your sleep posture, reduce neck pain and promote breathing.
- **THE PERFECT GIFT FOR YOUR LOVED ONE:** If you are looking for items with factors that improve your life, these combination pillows can bring you another level of comfort and happiness. You can use it on your bed, couch, or floor without sliding down.
