About this item

- Handwoven Craftsmanship - The Greenstell laundry hamper is meticulously crafted from durable synthetic rattan material, which is waterproof and moistureproof. The waterproof floor mat is added to ensure your clothing is not making contact with the floor. The bright natural finish and delicate weaving is suitable for any furniture design style and will work perfectly in your bedroom, bathroom or laundry room
- Laundry made Easy - The functional laundry hamper comes with rolling casters and handles so you can easily be wheeled from room to room to collect towels, bedding, clothing, and more. And no need to carry an armful of clothes to the washer, simply remove the liner bag secured from the hamper and carry laundry with ease
- Leading Quality - The thickened iron wire frame of the main body increases the load bearing ability and gives a large space inside. The large hamper can easily accommodate all of your dirty clothes, and a PU decorative handle has been added as well. The easy open lid offers easy access to put your clothes in the basket, keeping your room nice and tidy with your dirty clothes put away is a cinch with the Greenstell laundry hamper
- Perfect Storage - Greenstell laundry hamper makes sorting and organizing laundry simple and easy, the cloth lining is made with a high quality stitching process. we also provide a replacement cloth lining for your convenience
