About this item

- 36" Tall x 48.8" Wide - Stands 36 in Tall. Never worry about your pets jumping over the gate. Fits openings between 29.5-48.8 in wide. This pet gate is perfect

for stairs, doorways, hallways, and houses. 23.6 in large walk-thru gate makes it easier to walk. Notice: please measure your openings before purchasing to ensure proper fit.

- Double Safety- More safety with a double-lock system, press the button, and then lift it to open.
- Easy to install - Simple pressure-mounted installation requires no tools drilling, easy to put the tall pet gate together. (Note: Stairway installation must be hardware mounted.
- Auto Close Gate & Easy to Use - The pet gate will be closed automatically due to gravity. The door can be swung in both directions, easy to operate the gate with one hand.
- Durable Construction - Steel Designed dog gate can defend against up to 100-pound impacts by your pets. No worry about the dog gate being pushed down and hurting your children. Great dog gate for your doorways and stairs.
