About this item

- High Quality 3/4" Thick High Density PU foam: Provides relief for your feet and absorbs the shock that you would normally feel in your legs. Our mat was designed to maintain density while standing on the kitchen floor mat for extended periods.
- Non Slip and Stain Resistant top: Equipped with padded non slip bottom so that the standing mat stays in place both on hard and carpet floors.

- For personal and commercial use: For the office as a standing desk mat, or for use in the garage, kitchens or laundry room, our padded fatigue mats will relieve your discomfort and protect your floors from stains. Clean spills and dirt (food seasoning included!) with a quick wipe.
- Stain resistant Diamond top: Diamond top design prevents debris or stains to permanently smudge on the anti fatigue mats.
- Ships flat packed with beautiful designs: We ship our sink mats flat to avoid permanent creases on our quality foam.
- New and wrapped
