## About this item

- **Neutralize ALL Stinky Smells:** Cute as they are, pets can smell sometimes. Now introducing Custom High-Efficiency Activated Carbon Filter - the effective odor eliminator for pet odors, litter box smells, and cooking smoke..etc. After many tests, the deodorization rate could be reached over 92%.
- **Perfect for Pet Parents:** Experiencing coughing, congestion, or breathing difficulties caused by pets? Levoit Core P350 provides H13 True HEPA Filtration to reduce sneezing, itchiness, and stuffy nose by purifying the air you breathe.
- **No More Odor:** With the patented ARC Formula technology, Core P350 is the perfect air purifier for home to eliminate any odor around your kitchen, wardrobe, shoes box, carpet, toilet. And you're left with only clean, crisp, fresh air.
- **Cleaner House than Ever:** Did you know an air purifier can save you a lot trouble of cleaning? It's certain with P350. The fine Non-Woven Fabric Pre-Filter traps large floating particles such as pet fur, hair, dust, and lint, helping to reduce the amount of debris on your carpet and furniture.
- **Sleep Safe & Sound:** Don't ever worry about your furry friend being disturbed by the air purifier - Sleep Mode turns display indicators to half-brightness and keeps noise levels as low as 24dB, so you can sleep while cuddling with your cute little one.
- **Safety in Mind:** Without any chemical spray and liquids compared with the traditional Odor Eliminator, the Core P350 doesn't use ions to purify the air, keeping your pets safe from harmful exposure to certain particles.
- **Pet Lock:** Let your children and pets play freely while the Pet Lock prevents them from changing the settings—it's worry-free family time.
- **Powerful, In Many Ways:** Large house with a lot of pets? No problem—the Core P350 can purify a 219 ft<sup>2</sup> room in just 12 minutes.
- **We've Got Your Back:** Levoit is full of people who love their pets, just like you do. Based in California and always innovating, we create products that care for our customers and their homes.
- **How to Find Replacement Filters:** Search for B087R7ZFPB or Core P350-RF to find the official Levoit True HEPA 3-Stage Pet Allergy Filter. Levoit replacement filters provide the best fit and filtration, while off-brand filters are unreliable and may damage the air purifier.
