About this item

- Fit for 1 to 4 Steps: Max. Height for Steps: 26.7"/ 67.8 cm. Due to the 0-50 degrees adjustable frame, this outdoor stair railing is suitable for 1 to 5 steps handrails and is also suitable for horizontal surfaces and various stairs. It is

perfect for helping people keep balance on a rainy or snowy day and avoid skidding.

- **Sturdy Wrought Iron:** Thanks to the solid metal material and the welding structure, the wrought iron handrail is stable enough to withstand any weather, ensuring a security walk for you and your family. It can bear max. 661 lbs weight, giving a cost-saving long-time use. Moreover, the ergonomic design is adopted to create a comfortable grip.
- **Effortless Installation:** We provide you with complete installation accessories to finish the setup of the exterior stair railing, including 10 M8x60mm screws, 10 expansion screws, and 1 M12 drill. Only one person can complete the installation in a few minutes.
- **Stylish & Delicate Design:** Our handrails for the concrete step are treated with a smooth powder-coated painting. Thus, it does not only keep your hands from hurt but also has a fashionable black surface. Moreover, it is easy to maintain and clean with a mop.
- **Extensive Application:** Compatible for home and commercial uses, this outdoor handrail can be installed on concrete, brick, and wood steps of porches, balconies, gardens, residential buildings, hotels, garages, etc.
