### Description

Material	Wood, Alloy Steel, Metal
Color	Dark Grey
Special Feature	Durable
Shape	Rectangular
Indoor/Outdoor Usage	Outdoor

## About this item

- 2FT DEPTH & Larger Capacity – KING BIRD raised garden box with a depth of 24 inches holds up to 377 gallons of soil. Provide enough growth space for deep-rooted plants like potatoes, tomatoes, broccoli, etc. Tall enough to keep pets away from the garden planter and give you easy access!
- Stable and Solid Construction – Double card frames on the two sides of sheet make the raised garden kits more durable and stable, 4 reinforcing rods make the

whole raised garden bed more stable. Never worry about its distorted or collapsed and it presents much more beautiful design.

- ã Vertical Stripe Updated Designã‘We combine the vertical stripe and the card holder design to improve the ability of galvanized raised garden beds in bearing the soil and make the garden bed more textured and beautiful. This can prolong the service time of the raised bed.
- ã 2 Weed Barriers & 8 pcs T-type Tags & 2 Gloves as Giftsã‘Weed barrier will keep weeds away effectively. Gloves give you more convenience in installing outdoor garden boxes and comfort when working in the garden. T-type Tags help you to record the growth process of flower and vegetable.
