# About this item

- **Expand and Retract Design** The over the sink dish drying rack is Adjustable and slides into a compact form for when you only have a few things to hand wash, but expands to almost double the size when you need additional space. The dish rack over the sink suits both large families' kitchens and small apartment kitchens, even RV countertops. Shelf Outline Dimensions: From 18.9" to 33.5" (L) x 11.8" (W) x 29.9" (H).
- **Large Capacity** The dish drying rack over the sink has 4 baskets, sink caddy, utensil holder, cup holder, chopping board holder, knife rack. All the accessories can create tons of storage space for your kitchen supplies such as pans and pots, dishes, bowls, and silverware.
- **Sturdy and Stable** The dish drying rack for kitchen counter is made of premium metal with a baking finish. The bottom of the shelf has suction cups which can provide adsorption and prevent the dish drying rack from shaking forth and back.
- **Fast Drainage** The dish drainer for kitchen counter is designed to be a direct drain which means water will directly drip into the sink fastly and efficiently.

**Quantity: 1**
