Shaft Material	Aluminum
Extended Length	36 Inches

About this item

- Manufactured with sturdy, extruded aluminum tubing, the joint bolt is made of solid thick aluminum rather than resin to prevent any possible broken or collapse
- New Printed English manual to support the use of this cane seat, to prevent any confusion during use, fast delivery
- Tripod design for increased stability to provide a comfortable seat to rest on when open, and a sturdy support cane when closed; Vinyl tipped, contoured legs are strong and stable
- Seat Diameter: 9.5 inch; Seat Height: 18 - 22 inches; Cane Height 32 inch - 36 inch; Weight Capacity: 400lbs
- Great for trade fair shows, waiting in lines, traveling, or resting after going for a walk or shopping. Nice New Year gift for elders or yourself

Quantity: 1
