- **Space Saving** _ If you're looking for a office chair that can save space, then this is the perfect option for you! It has armrests that can be flipped up and slide the desk chair under the desk when not in use. Now you don't have to worry about your limited space! Get this space saving chair and enjoy the extra room!
- **Soft & Wear Resistance Cushions** _ This chair features thickened layers of natural sponge cushions , which makes it soft and highly elastic, not easily collapses, and abrasion-resistant fabric wrapping can be used for a longer period of time.
- **Breathable and Supportive Back** _ The back of the chair is made of breathable mesh fabric, which prevents sweat and discomfort when sitting for long periods. The ergonomic backrest is designed to fit the natural curve of the lower back, helping back support to maintain your posture.
- **Silent and Flexible**_ You can rotate the button under the chair to adjust the Rocking tilt angle , and the heavy duty base with smooth and silenced rolling casters smoothly rotate 360°, so that you can move around your work space with ease.
- **Versatile Features**_ This simple and elegant design makes it the perfect addition for any home décor. Max Capacity 250lbs and is suitable for people of average size (5" - 6"), making it ideal for working from home, studying or even sewing. It is also easy to assemble.
