About this item

- **Ergonomic Office Chair** The backrest of this mid-back desk chair aligns the natural curve of the spine to assist your back and shoulder in a natural seated

position, reduce pressure and muscle fatigue. With built-in lumbar support, it offers sufficient support for your lower waist

- **Adjustable Mesh Desk Chair** With BIFMA Certified Lift, it is easy to raise or lower the seat (18.7"-23.4"); 120° rocking mode helps you to relax from heavy work, pull out the lever for rocking function and pull it in to stop and keep in upright position. This mesh office chair can support a maximum weight of 285 lbs
- **Soft Adjustable Armrests** Arms can be adjusted up and down to meet various needs, provides the most comfortable sitting position for long time working. Soft PU surface and curved design increase skin contact with the arms, take pressure off your shoulders and neck
- **High Quality Materials** 1.The breathable mesh back keeps air flow, offers cool comfort all day long; 2.Thicken seat relieves pressure and promote blood flow to your legs; 3.Nylon dual-wheel casters offers great stability and mobility
