About this item

- **DUAL HEATING ZONES** The battery heated camping chair quickly warms up both your back and seat (some chairs only have ONE heating area). 3 heat settings (122°F/ 113°F/ 104°F) allow you to adjust the temperature according to your liking. Works with ANY USB battery pack, battery NOT included
- **FULLY PADDED COMFORT** The back and seat of this heated outdoor chair feature plenty of padding and soft fabric, which is both comfortable and supportive. Back fatigue can be avoided thanks to the extra-large hard armrests, helping you relax and enjoy your time
- **EXTRA STORAGE POCKETS** The heated camp chair features a cup holder and multiple pockets on the side to keep all your belongings within reach, plus a spacious back pocket to store the included travel bag or other large items
- **EASY TO CARRY** The heated folding chair is portable and lightweight, weighing only 9.8 pounds and having a large double-strap travel bag. It's simple to transport and won't take up much room in your luggage
- **HEAVY DUTY & DURABLE** With sturdy steel frame and durable Oxford fabric, this heated chair supports adults up to 300 lbs and offers long-lasting use.
