About this item

- **All Year Round Decor** Our lifelike artificial plants will give your home a real boost. They never wilt and look fresh year after year. And if you keep a few artificial tree stored away, you can change them up with the seasons or brighten up a room anytime you want. It's a nice faux corner plant decoration for office house living room home indoor & outdoor.
- **Free Maintenance** Always forget watering your lovely plant? Tired of dead plants? Try this faux plants! You don't have to worry about watering it ,no more dead plants. You will love how it brings life to your room without the added maintenance of a live plant.
- **Sturdy and Adjustable** Our artificial plants outfitted with sturdy inner metal wires, the branches and leaves themselves are adjustable so you can really craft your ideal eucalyptus tree. The fake eucalyptus will maintain its height, color and shape for years without pruning and shaping to ensure the aesthetic is maintained.
- **Safe Materials and Lifelike** This faux eucalyptus tree is made of durable and premium silk material(real touch, waterproof, eco friendly).The black nursery pot is made of hard PP material with cement poured inside which to prevent children, pets knock it down. we suggest to placing it in bigger decorative planter to make the fake tree be more perfect. All materials are flame-retardant treated, SGS certified, without any odor, so it is no problem even if placed in a sealed environment.
- **Perfect Dimension** This tall faux plant is 13.2lbs,overall tree is 6ft height and 2.8 ft width. The black nursery pot is 6 inch tall and 6.5 inch width. All the leaves and branches are installed already when you received, just need only 2-3 minutes to shape it to reach its fullest size. A great addition for new house, office, wedding ceremony, fireplace, dinner table, party or event decor, etc.
