About this item

- **Newest Expandable Design** :--- With the practical expandable design, raised dog bed can convert between 2 sizes, you can choose original size when your dog is a child and expand the bed to fit your dog when it grows up.

- **Keep Your Dog Away From Ground** :--- If you want to keep your dog clean and keep away from dust or insects. This elevated dog bed is a good choice as it is 8" off from the ground.
- **Sturdy & Stable Structure** :---The dog sofa can hold a weight up to 80 lb as it consists of a thick metal frame and MDF board. You can count on it to be sturdy and stable to support your pet.
- **Soft Cushion With Washable Cover** :---The cushion of dog couch uses soft sponge with washable zipper cover. Your dog will have a snug sleeping experience and fall in love with it. You can also tear down the cover and wash it easily when dirty .
- **Easy to Assemble** :---Package includes detailed instructions and all assembling hardware, follow the instructions, you can finish putting the dog sofa together within about 15-30 minutes.
