About this item

- ☆♥ More Powerful: CASENKE Enclosed Ceiling Fan is composed of a more powerful motor and 8 blades, which is stronger than the same model on the market but with only 5 blades.
- Ceiling Fans Indoor with Light: The Ceiling Fan with Lights is designed with exquisite acrylic edges, allowing you to enjoy the bright light and decorate the room. At the same time, our unique Flush Mount Ceiling Fan design can make the air in your room circulate well and keep the air fresh.
- Dimmable and Light Tones Changeable: The Ceiling Fan with Lights Remote & App Control has lots of lighting options, from daylight to soft light, from bright to dim. Meanwhile, all settings are remembered when turning off lights with remote control or App control, no need to restart the cycle next time.
- 3 Speed & Timing Function: This Low Profile Ceiling Fan with hidden blades has 3 wind speeds and timing (1/2/4h) to meet most needs. Save power and money. NOTE: Timing setting only can be controlled by App.
- Easy to Clean: Our Smart Ceiling Fan with invisible fan blades can direct the air to all corners of the room making the air better circulate, and easy to clean.
- Application: The Modern Ceiling Fan is suitable for bedroom, living room, dining room, study room, children's room, balconies, corridors, etc. Enjoy the cool wind and bright lights, and bring a luxurious and comfortable experience to your residence with our Ceiling Fans with Lights.
