About this item

- Compatible: Mueller coffee maker is designed to fit most coffee makers using pods as well so you can have your cup of coffee the way you want it!
- Versatile: With 4 different brew sizes available, you choose the strength you want. Can be programmed to brew 6, 8, 10 & 12 oz cups.
- Rapid Brew: New heater technology ensures coffee brews quickly and at the perfect temperature - no more cold coffee
- Large 48 Oz Removable Water Tank: With a large opening it is now much more convenient to fill it with water and clean. Great for when you have family & friends over and no more having to re-fill with water constantly.
- Mueller's Mission - Our mission is to deliver simply superior products that improve people's lives!
