# About this item

- 2 Tier Pull Out Cabinet Organizer With Wood Bottom combines the beauty of wood materials and the firmness of a metal wire basket, presenting an elegant outlook. Each layer can be pulled out separately, making use of space more flexibly.
- The Double Tier Slide Out Shelf has 2 optional base-layer installation heights to accommodate cabinets with or without a lip. Plus two top-layer height options, the pull-out is clever in space use.
- Sliding Wire Basket With Chrome Finish, together with Full-Extension slides, provides easy access to cabinet interior space. It is ideal for sorting and organizing stuff in under-cabinet space in kitchens, bathrooms, or laundry rooms.
- The Product Size is 17"W x 21"D. Please make sure your cabinet interior size is enough to put in this drawer organizer before purchasing.
- Easy To Install. With the help of the step-by-step installation manual, mounting template, and smartly designed hardware parts, the installation and mounting process is quite easy, with no measurements required.
