About this item

- Modern & Stylish Design – Mueller large planters are designed with matte finishing exterior in soft, wavy shapes, with a ceramic visual display that adds fresh, decorative flair to your space. Perfect for home, office, hotels, restaurants,

and other commercial use. Outdoor or Indoor - Ideal addition to any front entrance, poolside patio, or spacious hallway.

- Ultra-Durable - High-quality material for long-lasting use. To help avoid excessive heavy lifting, this planter is durable and robust, yet easy to rearrange within your garden space. Sturdy design means that these planters are very durable, ensuring a long life compared with other planters.
- Frost and Sun Resistant – To withstand all the elements, these planters have been specifically designed to last well throughout the colder months. Due to high-quality materials used to manufacture these planters, color will remain rich for many years.
