About this item

- **Ergonomic Design:** Big & tall executive office chair has Double layer soft cushion can keep you away from the numbness caused by long sitting. Thickened headrest and backrest fit to the curve of human spine can give you strong support and help you release back pressure.
- **High-Quality Material:** This executive office chair upholstered in high-quality PU leather. It's soft, lustrous, durable and water-proof. Comfortable cushion consist of native sponge and PP cotton, soft and resilient.
- **Flexible Using Style:** You can flip the arms up and do things that can't be done in other chairs, such as playing guitar or sitting cross-legged. You can also put the chair under the desk for saving space by flipping up the arms.
- **Adjustable Function:** The pneumatic seat height adjustment can meet your different needs. Rocking backwards from 90 to 125 degrees can relax you. 60-degree rotation cushion and rolling swivel caster make this desk chair more flexible and convenient.
- **Assembly and Security:** Certified by BIFMA and weight support up to 330 pounds. Besides, It's easy to assemble, and you will not need to prepare additional tools for the assembly.
