About this item

- Soft as Clouds - KOKHUB Anti fatigue kitchen mat is made from high-quality gel foam and extra cushioned 1/2" thick with ergonomically designed to relieve

muscles and joints pressure from standing for a long time. Effectively alleviates back, leg, ankle, and feet discomfort for people daily work in the kitchen or those who need long-time standing such as chef, hairdresser.

- **Best Kitchen Partner** - The anti-slip feature is derived from a unique backing pattern & bevel edge design to keep the kitchen rugs and mats non-skid washable in place and prevent the risk of tripping. Stylish texture & Premium material surface on kitchen mats for floor ensures long-term durability and unfading.
- **Easy Cleaning** - Waterproof, oilproof, and stain-resistant features make cleaning a breeze, just wipe it down with a wet cloth or hand-held vacuum. The KOKHUB anti-fatigue mats are constructed with heavy-duty PVC outer lining that makes cleaning effortless due to its water and stain-resistant material.
- **Best Size For You** - Our kitchen mat size is 17.3"x28"+17.3"x47", thickness – 0.5" (12mm). This small one is commonly used under single-door sinks and under cooktops, and the big one is generally put beside kitchen island. Applicable to multiple scenarios, kitchen, laundry room, bathroom, office, hallway, and any other high-traffic indoor or outdoor space. Fit for most kinds of flooring: tile, wood, marble, and more.
- **Healthier Choice for Family** - KOKHUB padded mats are made of the safest PVC material, that is phthalate-free, latex-free, and odor-free. With dual comfort core - soothing gel + energy-return foam, bringing safety and comfort to you and your family indoor or outdoor. Thus, this kitchen mat pad is a perfect gift for family and friends!
