LOT 171 - Azadx Clear Office Chair Mat for Low, Standard and No Pile Carpeted Floors, Plastic Computer Desk Chair Mat on Carpet for Easy Rolling, Durable Carpet Protector Mat (36 x 48" Lipped)

Description

About this item

- This wear-resistant PVC chair mat is made of thick and sturdy plastic which is durable and won't crack or shatter while protecting your carpets in home or office from damages caused by chair casters or furniture
- Studded designed of this computer chair mat is to achieve a strong grip on carpeted floors to keep it in place without piercing or damaging your carpet
- The textured desk mat allows your office chair to move easily on it without skidding
- Our clear chair mat allows you to still see the natural beauty of your carpeted floor underneath

- Easy to clean owing to its premium PVC material, just wipe it with cloth and this chair rug protector will be clear again
