AUCTION - JUNE 14th, 2023

LOT 184 - Low Profile Ceiling Fan - 18" Smart Ceiling Fan with Light and Remote, 3 Colors Dimmable LED 5 Blades

Description

- **2 in 1 Design** This modern low profile ceiling fan with light can fully save your space while adding a stylish sense of space. And the flush mount ceiling fan is equipped with a whispering wind DC motor that makes no noise, Perfect for low-profile small rooms, like bedrooms, living rooms, kitchens, etc.
- **Remote & APP Control** The 6 speed & timing settings of the enclosed fan light as well as the stepless dimming light output all from the convenience of the easy-to-use remote control (included) or APP.
- **Memory Your Setting** Our smart ceiling fan light offers three color temperatures-white, neutral, and warm, ranging from 2700K to 6500K. All settings are memorized when turning off lights with the remote control. Color temperature and brightness remain unchanged the next time you use the remote control turn on it.

- Unique Designed for Clean The ceiling fan with remote control considers your cleaning cares, the protective net has been specially designed and can be opened, and every part of the ceiling fan can be cleaned to keep it looking like new.
