About this item

- Design: Grey 24x36 inch poster frame with thick moldings, perfect for your cherished memories and favorite posters; comes with hanging hardware for hassle-free display in both horizontal and vertical formats to hang flat against the wall
- Material: MDF frame with a polished plexiglass front that gives a clear view of your poster and preserves your posters, photos and memories
- Quality: Durable, gallery-style frame; the frame's front has clear plexiglass and a sturdy backboard to keep the poster in place
- Use and Display: Perfect for 24x36 posters; removable film is added to the plexiglass to prevent scratches during transit; remove this film upon loading your posters
