About this item

- **Great Value Set** Set of two, 23.6 inches deep x 9.5 inches wide x 1.5 inches high. This is the ideal place to display your beloved photographs, trophies and other beautiful decorative items.
- **Sturdy Wooden Board** These floating shelves are made of MDF, which is so tight and durable that each shelf can hold up to 25 pounds of weight. The shelves will not tilt or sag when left for long periods of time.
- **Extra Space** You can combine the two shelves at the height you want to add more space to your home by placing your objects. The color may vary slightly from the picture due to different lighting and screen settings.
- **Easy Installation** This wall shelf is very easy to assemble and we have prepared a detailed installation process for you, so you can quickly complete the installation in a short time. And after installation, all the brackets can be invisible.
- **A great gift** These suspended shelves are not only a great piece of furniture for your home, but also a great gift for your friends or family as a housewarming gift to bring them your best wishes.
