**LOT 248 - SHOWKOO Luggage Sets 3 Piece Softside Expandable Lightweight
Durable Suitcase Sets Double Spinner Wheels TSA Lock Sky Blue (20in/24in/28in)**

Description

- Top Softside Luggage Set: Made of high-density oxford fabric resists stains and waterproof, high abrasion resistance to keep the Softside luggage beautiful. 20 inch is the most suitable to carry around, all sizes can expand 20% of the increase space. Capacity: 20in43L 24in63L 28in 85L
- Ergonomic 3-Step Durable Aluminum Handle The button-type multi-level handle can be adjusted to different heights, while minimizing the effect of the swing and self-aligning magnetic wheel, and can roll the top straight in any direction. The handle will lock when fully extended so that you can push or pull the suitcase. When fully recessed, the handle will also be locked, which greatly reduces the risk of damage when not in use and is easy to operate.
- 360° Silent Double-Row Spinner Wheels With four 360-degree rotating wheels, the Softside Luggage Set can rotate silently and smoothly, making it easy to move. All parts roll upright, so there is no weight on the arms and travel is easy.

- **Secure Combination TSA Lock** The TSA lock installed on the side only allows the TSA agent to check your luggage without damaging the lock while traveling. The zipper is not easy to be pierced by sharp tools (such as pens) to better protect the softside luggage and privacy.
- **Large and Convenient Capacity Design** Padded handles on the top and sides provide comfort when lifting a full-packed suitcase, making luggage easy to carry. There are two large external pockets for storing the last items. Full zipper internal dividers and cross straps increase the organization of the packaging. The cross strap protects the baggage in the luggage to prevent movement that may cause damage, and also helps to keep baggage organized.
