About this item

- 3 Modes in 1 Set The Lusper Adjustable Dumbbell Set can be used in 3 ways: 1) Dumbbell*2: Adjustable Dumbbell Mode for various muscular strength building workouts; 2) Barbell: Light & Heavy Weights to increase the muscular endurance of the entire body; 3) Kettlebell modes to develop your explosive power. A truly versatile dumbbell sets for you to create your own home gym. [WEIGHT RANGE]: Dumbbell 6.5 lbs ~ 32 lbs, Barbell 8lbs-44lbs, Kettlebell 3.5lbs-16lbs.
- Upgraded Spinlock Collars, Safety Guaranteed The anti-slip tightening collar ensures a safe and secure fit to the dumbbell or barbell bar. No worries with it loosening or plates sliding/falling. Smooth contoured finger tip grips ensure quick and easy mode switching.
- Highly Compacted & Built to Last The core of the weight plate is concrete mixed with cement and iron sand, which guarantees zero leaking and true weight. Coated with premium quality plastic, the plate does not break with any fall within 2 meters of height. Safe and secure; sound proof & flooring protective.
- 12-Sided Hex Plates, Neat & Secure The anti-roll hex plates in the Adjustable Dumbbell Set are specially designed to keep your workout space neat and your workouts safe and efficient. The Adjustable Dumbbell Set boasts its nice-feel texture and a sleek black & gray design that naturally blends into any home gym style.
- Ergonomically Designed for Optimal Comfort The 20 mm thickened barbell connector is ergonomically designed to have a curvy shape that fits your neck perfectly for increased comfort. Rubber kettlebell handle delivers exceptional control and is slip resistant even with sweaty hands.
