# About this item

- Attractive and Practical Design 42"L x 18.11"H x3.89 "W, The thickness of the new style is only 3.85 inches while the old one is 6 inches. And it operates the same as the old one. Also, we redesigned the location of main power and power cable, which makes the new fireplace more attractive and practical.

- MULTI OPERATING MODES : Touch screen and remote control;12 flame & LED flame bed color modes;5 flame speed modes;5 flame brightness levels; Specially automatic flame design(the flame color and brightness changed
- ENERGY SAVINGS : 750W & 1500W modes can be adjusted accordingly for both warm and energy saving purpose. The supplemental zone heating is for up to 400 square feet.
- SAFETY & COMFORT : ETL Certificate Approved. It also has auto-heat kill safety to avoid the superheating. The heat is good for maintaining the natural humidity within the air without making the room too dry.
- Let R.W.FLAME electric fireplace warm your home and life.
