

**Sale Name:** Vintage Collectibles Online Auction

**LOT 91 - (3) Carnival Glass Gold Ashtrays**

### Description

These are cigarette ashtrays that all have the carnival gold color and the two round ashtrays nest, while the square ashtray has a rose embossed in the center. I'm guessing that these are circa 1970s. The largest ashtray is about 5.5" in diameter. There is a very small chip on the corner edge of the square ashtray.

**Quantity:** 1
