LOT 15 - 1950s Porcelier Boy and Girl Teapot

Description

Very cute teapot made by the Porcelier Company sometime between the 1920s (when they were founded) and 1954 when they went out of business. Some minor crazing starting along the rim of the lid and where it meets the teapot, but otherwise in great condition. It is about 8.75" from the tip of the spout to the edge of the handle and stands about 7" tall with the lid on.
