The look of stone flooring is affordable and practical with TrafficMASTER Premium 12 in. x 12 in. Vinyl Tile. With the appearance of high-end slate, it is easy to clean maintain with a no-wax vinyl wear layer. It installs easily with a peel-and-stick method and can be placed over most subfloors.

- Low-gloss stone and slate textured finish
- Install over almost all sound and smooth subfloors including wood, vinyl and concrete with easy peel and stick method
- For use indoors and in temperature controlled environments only; see installation instructions for more information
- Appropriate grade for installation: all grades
- 30 year residential wear-through warranty
- Easy to maintain, regular sweeping and damp-mopping are all you need
- Gives a high-end look at low cost
- All online orders for this item ship via parcel ground and may arrive in multiple boxes
- 2 mm thickness x 12 in. width x 12 in. length

**Quantity:** 10
