LOT 103 - 150 Inch Retractable Baby Gate, White

Description

150 Inch Retractable Baby Gate, White

- **150 Inch Extra Wide:** This retractable baby gates extra wide extends up to 150 inches wide and is 35 inches tall. The length can be adjusted to fit your openings according to you needs.
- **Retractable Design:** The mesh of the long baby gate can be completely retracted away when not in use. Save your space and no tripping hazard compared to metal gate.
- **Baby Play Area:** This large baby gate can be used between rooms to create a safe and large play area for babies, keeping them away from danger. And it can also effectively restrict the entry and exit of pets.

- **Double Locking System & Convenient to Use:** The double locking system is designed to prevent babies from accidentally opening the gate. But adults can open and close it with one hand for easy access.
- **Fits Any Baseboard:** Slide the bottom mounting hardware to accommodate different baseboard heights. Easier to install. If you have any problems during installation, please feel free to contact us.
- **Indoor and Outdoor:** This extra long baby gates for large openings can be used indoors and outdoors, such as kitchens, living rooms, stairs, hallways, doorways, garages, etc. Prevent your baby and dog from entering dangerous areas or dividing your home.
