LOT 145 - Clear Plastic Dining Table Protector, 20 X 72 Inch

Description

Clear Plastic Dining Table Protector, 20 X 72 Inch - NEW

- NO PLASTIC SMELL New upgraded thick & eco-friendly Heavy-duty BPA-free PVC table pad is odorless, high transparency furniture top protector.
- TIPS TO MAKE IT FLATTEN Our table protector shipped in rolled package to saving your shipping cost. Here tips to make table protector flat in cold days: 1. Heating dryer blow or expose table protector under sunshine in minutes; 2. Put heavy items pressing on reverse-roll direction on table protector in days; 3. Use accessory tape dopts to fix table protector in place; 4. If need to trim it to fit, use pencil to mark the exact size first, cut is with a sharp blade or scissors.

- **WARM TIPS** The CLEAR table cover protector is the best choice for textured table tops or on top of a tablecloth, it may leave air bubbles on glossy, glass, marble, white or other smooth table tops, please choose the frosted table protector, or place a table cloth underneath to avoid air bubbles. Before place table protector on lacquered or polished NEW wooden tops, please ensure painted oils dry enough, or put tablecloth under table pad, to keep your new wooden tabletop's painted oil breathing;
- **SIZE & CUSTOMIZED NEED** Purchase the same size as the width & length or round diameter of your table top or furniture top. Generally, we cut it a little bit larger than exact size for margin of shrinking, that is not size problem when it comes a little big. Easy to cut to fit, use a pencil for marks, trim it with scissors or sharp cutter knife, please ensure trim line is accurate.
