LOT 235 - Pet Bed For Pets Up To 22 Pounds (Flamingo)

Description

Pet Bed For Pets Up To 22 Pounds (Flamingo)

- Suitable for dogs up to 22 lbs, such as Miniature Schnauzer, Bichon Frise, Poodle, Shiba Inu, etc.
- Two ways of use: Use house shape in autumn and winter, which is both warm and in line with pets' habit of hiding. In summer, it can be transformed into a sofa shape after pressing down the roof, which is airy and comfortable.
- Reusable for many years: All parts are removable and washable, easy to assemble, and can be compressed and stored when not in use.
- Comfortable mat: The high-density bump-shaped foam fits snugly and supports the pet's body, allowing the pet to relax completely.
- Water repellent & Anti-skid & Noise reduction The exterior is water-resistant; The bottom is non-slip; High-density foam can give pets a relatively quiet environment.
- This pet house cannot be used by dogs who have the habit of gnawing. It is suggested that the owner use a crate with a chew toy, and usually find more time to accompany the dog to relieve its anxiety.
