About this item

- Eco-friendly Pvc+top Flocking
-  **WORRY-FREE AFTER-SALES** : You enjoy a 30-day right of return & 1 year risk-free manufacturer's warranty.
- **Quick Inflation/Deflation in 3 mins** : The integrated pump inflates/deflates the Airefina air mattress in only 3 mins to achieve your desired comfort & firmness level with the push of a button easily.
- **Extra-strong Support** : Combine with 40 internal air coils and a high-strength composite mesh structure that enhances durability and support, providing full body support and bed-like comfort.
- **Comfort Flocked Top & Thick Waterproof Material** : Features a comfortable waterproof flocked top layer and durable eco-friendly multi-layer PVC bringing an unrivaled sleeping experience. Note: Do not wear or bring sharp objects onto the mattress. Clean up the area before placing the air bed.
- **Large Queen Size** : Airefina inflatable mattress has inflated dimensions of 80x60x18in and a weight capacity of up to 750lb, a travel carry bag for easy packing and transportation, and repair patches for puncture or tear accidentally

included. The deflated compact size is only 17.4*7.4*12.8inch and merely weighs 19.2 lbs. Suitable for camping, travel, guest beds, etc.

- Durable Profile & Antislip bottom : 18in profile makes it easy to get in and out, and the raised edge for more sleeping space protects your items from falling. Antislip bottom prevents the air mattress from moving even on wood or tile floors keeping your bed flat and stable. Remember, you may need to inflate your air mattress for a few seconds to regain your desired firmness level due to the PVC naturally stretching during use.
