# About this item

- Now your cabinet is no longer just stacks of pots/pans. It will be super easy to store, organize, and access your pots, pans and other kitchen accessories.
- Both of the shelf can pull out individually, cabinet storage strong enough to hold up to 100 lbs.
- There are 2 height sets on the stand that you can adjust the height by full-extension ball-bearing system.
- Cabinet organizer dimensions measure 7½" Wide x 21½" Depth x 15" Height. Fits 9" cabinet openings, 24" depth, 15" height and larger. Do not include hinges when measuring.

**Quantity:** 1
