

**Sale Name:** High End Estates, Art & Collectible Auction  
**LOT 75 - Asian Ivory Carved Sculpture - Antique Ivory**

### Description

We have an amazing collection of antique carved ivory pieces from an estate in Punta Gorda, Florida.

This is a highly intricate carved piece of an Asian Fisherman with his net. Sits on a carved wood base. The hat is detachable. Excellent condition. Measures 6" tall x 2.50" deep.

All antique Ivory pieces were purchased in Europe / Asia during WWII (1939-1943). The collector (now estate) was a veteran of the US

Military and purchased them and brought them back with him in 1943 for his wife. All items purchased were before the embargo of Ivory in 1989.
