LOT 80 - Antique Ivory - Carved Penguin Sculpture

Description

Antique carved Ivory sculpture of a Penguin. Larger piece measuring 5.5" tall. The beak was damaged years ago and glued back on.

All antique Ivory pieces were purchased in Europe / Asia during WWII (1939-1943). The collector (now estate) was a veteran of the US Military and purchased them and brought them back with him in 1943 for his wife. All items purchased were before the embargo of Ivory in 1989.
