**Description**

## 20 COUNT SELECTO BY VILLIGER - HAND ROLLED CIGARS - FACTORY SEALED PACKAGE. MADE IN NICARAGUA.

Mild to medium-bodied bundles like Villiger Selecto Connecticut eagerly satisfy the masses on any afternoon that calls for an inexpensive bundle of handmades. Villiger may be better known for its vast portfolio of machine-made smokes and its historic presence in the European market, but in recent years the brand's handcrafted blends have gained a bit of momentum thanks to a 93-point rating for the company's La Flor de Ynclan release and a 'Top 10 Cigar' ranking from Cigar Aficionado. Add the easy-going profile of nuts, toast, and spices Villiger Selecto Connecticut delivers to your cooler or when you need a simple bundle to take out the door when you're hanging up a 'Gone Fishing' sign on the outside. An Ecuador Connecticut wrapper marries a creamy well-made recipe of Nicaraguan tobaccos. Plus, with Villiger's rock-bottom prices and everyday sub-wholesale discounts, it's no big deal if you catch a live one and have to drop your smoke overboard until the boat is steady again.
