LOT 19 - COHIBA RED DOT - PACK OF 15 CIGARS

Description

COHIBA RED DOT - PACK OF 15 CIGARS. EXPENSIVE AND WELL KNOWN CIGARS IN THE INDUSTRY. THESE ARE THE 5" SIZE.

'92' rated, Cohiba Red Dot is the Dominican-made iteration of the brand, and the only one made for the U.S. that can legally bear the trademark. Like its Cuban counterpart, Cohiba Red Dot uses only the finest tobaccos and the most qualified rollers. Finished with a West African Cameroon wrapper that gives this cigar a sweet and rich profile that is medium to full-bodied and filled with notes of wood,

earth, cocoa, black pepper, and caramel combined together with a creamy nuttiness. This stick is the product of five years of intensive research and blending efforts by General Cigar—makers of Punch, Partagas, and Hoyo de Monterrey. Like all of these, Cohiba Red Dot worthy of the high price tag.
