Green

Shipping Available Yes

## **Description**

## Three Mini Holiday Light Cord Protector and Christmas Light Plug Cover - Green

## About this item

- Applications Perfect for keeping water and melting snow away from holiday or Christmas light plug connections. No more tripped outlets or entire strands of light going out in the middle of your display.
- Easy to Use Unique and patented design will keep holiday and christmas light cord connections dry all season long. Simply place your connections inside and clamp latches down!
- Fit Specifically designed to fit holiday and christmas light plugs. See the Twist and Seal Cord Protect or Twist and Seal Maxx for larger cord connections.
- Safety Helps prevents tripped outlets and reduce the risk of electrical shock.
   Independently lab tested to meet and exceed NEMA standards for protection against rain, sleet and ice.
- Heavy Duty Proudly made in USA! Constructed from commercial grade plastic that has UV protection.
