Description

Kobalt 8-ft 3-Outlet 2-USB Ports Indoor Blue Power Strip

Overview

The 3-outlet plus 2 USB surge protector adds power and protection wherever you need to get work done. 3 Grounded AC outlets power your tooling (15 Amp/1875 Watt or less) while two USB ports (USB A: 3.1A) fast-charge your mobile devices. Integrated outlet covers keep dust and debris out when not in use. This Surge protector includes advanced surge protection to keep your tools, equipment and electronics protected from potentially harmful power fluctuation.
