LOT 29 - Greenlee D'versibit 9/16-in Flex Auger Bit

Shipping Available Yes

Description

Greenlee D'versibit 9/16-in Flex Auger Bit

Master your tasks efficiently with the Greenlee D'VersiBIT Flexible Auger Bit Kit (catalog number DBITKIT). This professional kit simplifies wire and cable installations within walls, ensuring precise results and effective chip removal in various wood types.

The starter set includes a #09-03-54B bit for 9/16-inch holes, a #712P placement tool, and a #150 pulling grip for 1/2-inch OD wire. Its design minimizes labor by allowing you to guide the bent spring steel shaft as you drill.

The D'VersiBIT system features a 54-inch flexible shaft for easy navigation within walls, while the quick-change pulling grip allows for seamless transitions between drilling and pulling tasks.

Quantity: 1
