About this item

- **Gigante Beach Tent** The beach canopy tent sun shade have different size Large (10*10)ft, Medium (7*7.5)ft. Tall stability poles keep entire beach shade canopy area stays at full height that increasing the shaded area, can hold up to 6-8 people for couples, family and friends party or outdoor picnics
- **Advanced Sun Protection** Designed with the highest quality Lycra fabric and offering UPF 50+ sun coverage and water-resistant function, lightweight beach canopy tent sun shade can shade your outdoor beach holiday. Family beach tent durable materials are not afraid of stretching and tearing
- **Stable Windproof Performance** Fill the sandbag with sand or stones as much as possible which makes this portable beach sun shade canopy has better wind resistance. You use beach shade tent over sandy beaches, thick grassy areas, or even in rocky camping spots
- **Wonderful Choices Beach Tent Pop Up Shade** You can also build compact beach sun shelter on gardens, backyards, lawns, sand, picnic, garden, group activities, field training, dummer camp vehicle shading even rock campsites. Simply adjust sand anchors or the poles to change the angle of the shade to get the best sunshade
- **Easy to install & Portable** Follow the instructions even 1 person can install quickly. Reinforced poles attached with a elastic cord preventing moving, ground stakes and fillable sandbag anchors make beach unbrella more stable. The sun shade for the beach comes with a travel carry bag to keep the sun shelter kit all organized
