LOT 47 - Chicago Cutlery Fillet Knife with Case and Honing Rod

Description

Chicago Cutlery Fillet Knife with Case and Honing Rod

This is a vintage Chicago Cutlery boning and fillet knife featuring a walnut handle. The knife measures approximately 12.5 inches overall, with a blade length of 7.5 inches. While there is no stamp on the handle, it is likely the 78S model. This lot includes an original leather holster and a handle-stamped honing rod that fits neatly into the holster.
