## **Crescent Lufkin Shockforce Nite Eye G2 25-ft Measuring Tape**

**This measuring tape is new on retail hanging packaging, and it is missing a second measuring tape sold initially as a bonus pack.**

The Crescent Lufkin Shockforce Nite Eye G2 is the tape for the pro. Featuring an extra wide tape with multiple protective coatings. The durable case design is drop tested from extreme heights to ensure it will take a beating time and time again on any jobsite. The end hook and belt clip have been redesigned to continually meet the needs of any pro. Perhaps, the most noticeable feature of any Crescent Lufkin Shockforce Nite Eye is the high contrast green on black blade providing improved legibility in all light conditions.

- Thicker protective tape coating in addition to an extra protective barrier on the first 6in provide increased tape durability
- Wider, thicker blade provides 17ft of reach

- Green on black markings with a matte finish increase the tape's visibility in all light conditions
- Bolstered case design provides protection against drops from extreme heights
- Improved end hook protects the entire front of the tape and prevents the tape from snagging and tearing
- Redesigned belt clip makes it easy to place the tape on a pocket, belt or bag
