### Description

**Harbor Breeze Quonta 52-in Brushed Nickel with Matte Black/Brushed Nickel Blades Integrated LED Indoor Flush Mount Ceiling Fan with Light (5-Blade)**

**Repackaged Return with loose hardware.**

### Overview

Contemporary styling and superior performance come together in this 52 inch flush mount design ceiling fan. Flush mount application is perfect for rooms with standard

or lower ceilings. Integrated LED light kit offers brilliant lighting and energy efficiency for years of maintenance free enjoyment.

- Features an 18W integrated LED light kit that has 3000k color temperature.
- Only suitable for indoor locations.
- At 52-in diameter, this fan is ideal for large rooms up to 400-sq ft.
- Includes convenient pull chains to control fan speed and light.
- Can only be installed as a flush mount, which is ideal for standard or lower ceilings.
- Reversible motor allows for changing the fan direction seasonally to push cool air down in the summer, or distribute warm air evenly in the winter.
- Reversible blades to match your style in any room.
- This fan provides a CFM of 3766 on high speed.
- Replacement shade available under Lowe's item number 4664703.
