Description

Two (2) Melnor Minimax 4000-sq ft Oscillating Spike Lawn Sprinklers

Used return

Overview

Get the coverage and adjustability of a full-sized oscillating sprinkler in a compact design. Water up to a large 4,000 Sq. Ft. area or a small flower bed. Avoid wasting water on the walkway with easy to use controls that adjust to cover even a super narrow strip of lawn. The long-lasting infinity turbo drive quietly provides even coverage with a smooth motion to eliminate puddling. The mini max™ turbo oscillating sprinkler has maximum features to keep your lawn and garden growing season after

season. Need additional information or assistance from Melnor? Leave a question/feedback below. We value your experience with us.
