**Shipping Available** No

**Description**

## Kobalt 6-Gallon Portable Electric 150 PSI Pancake Air Compressor

**This comes like new condition!**

This air compressor is equipped with a pancake-style tank, 1.0 HP maintenance-free universal motor, 2.6 CFM at 90 PSI air delivery, 150 max. PSI working pressure, two durable quick couplers, and an easy-to-operate drain valve. It can be easily operated with an extension cord, no need to worry about low-voltage start issue. It is perfect for

trimming and finishing jobs. It also features a strong handle and light weight design, you can easily carry it everywhere to get the job done.

- Oil-free and maintenance-free motor, easy start at low voltage with an extension cord.
- Two durable quick couplers allow for the simultaneous use of two tools.
- Two gauges provide pressure indicators for both the tank and the tool being used.
- 1/4-turn ball valve makes it easy to drain the tank anytime without blocking
