**LOT 90 - Lithonia Lighting 48.125-in x 18.125-in 6-Light High Bay Light**

### Description

## Lithonia Lighting 48.125-in x 18.125-in 6-Light High Bay Light

### Overstock item

#### Overview

The 6-light T8 fluorescent high bay by Lithonia Lighting is a model combination of rugged fixture construction with excellent fixture performance and is ideal for new construction and renovation projects. It is a one-for-one replacement of common

metal halide high bay systems. Applications include manufacturing, warehousing, commercial and industrial facilities.

- Quick and easy wiring through access plate on back of channel housing
- Narrow distribution ideal for narrow or aisle lighting applications
- Specular aluminum reflectors provide 95% reflectivity
- Thermally protected electronic ballast
- Can function between 120 and 277 volts
- Sockets include secure positioning rotating collars
- UL listed to US and Canadian safety standards
